Important Information

The 8 Sabbats are important Satanic/Pagan holidays. These dates align with the Sun, and are times to indulge, feast, and honor the Gods and Goddesses. Telepathic communications and workings of magick are greatly amplified during these holidays. The eight major Sabbats are the Equinoxes and Solstices of the Sun's year, and the 4 cross-quarter days that come between them. The 13 Full Moons are also power dates, and greatly amplify workings of magick. These dates are all included in this calendar, as well as ideas for workings based on the position of the Moon, other planets, and planetary day of the week. Spiritual Satanism is about celebrating and enjoying life!

BELIAL													

Important Information

Imbolc (pronounced Im-bulk), Candlemas, when the Sun is at 15° Aquarius, halfway between Winter Solstice and Spring Equinox. This is the Feast of Fire, celebrating the cycles of life and the Sun.

Traditions for this sabbat include candle magick, bonfires, pyromancy, invoking fire element, meditating on your Kundalini, and spells for success, charisma, creativity, confidence, and anything else relating to fire. Traditional foods are crepes and pancakes, anything round and golden-colored.

BARBATOS						PAIMON							

Important Information

Beltane (pronounced B'yalt'n), begins on sundown April 30 and lasts until sundown May 1. Beltane is an ancient celebration of fertility. This sabbat is in honor of our God Enlil (Baal). Telepathic communications with spirits and our Gods are heightened. Traditionally, people would dance around the Maypole (representing the phallus), and couples would jump nude through the bonfire together and engage in all-night sex. Dancing, feasting, and making repairs to one's property are also customary.

(Note: some consider Beltane to be when Sun is at 15° Taurus, this will be May 5.)

Important Information

Venus, the planet of love, goes retrograde from May 13 to June 25. This can cause friction between couples, and is not a good period for love spells, money workings, artistic pursuits, and so on.

When Mercury goes retrograde, listed in the pages for February, June, and October (lasts for 3 weeks each time), this will negatively affect travel, communications, and electronics. This is not a good time for spells for exams, education, or knowledge.

Important Information

Summer Solstice, when Sun enters 0° Cancer, is an important Satanic holiday. The Solar chakra is greatly amplified, and all workings to empower it benefit from the energy.

Solar magick, telepathic communications, fire magick, divination, blessing of tarot cards, gathering herbs, infusing herbs and items with solar energy, healing, and runic work are all favored. Baal fires (bonfires) are traditional.

Important Information From September 9 to November 13, Mars will be retrograde. This is not a good time for black magick or revenge. Instead, spells for peace and harmony, such as within the family, are aided. Mars goes retrograde once every 2 years for about 2 months each time. Important Information

Fall Equinox, is the original Pagan festival of Thanksgiving, the second of the three harvest festivals. A good time to begin and put things into action. Mabon is the balance between light and dark, as the day and night are equal length. This is the day of the great hunt, that also honored all Gods and Goddesses of the Hunt. Symbols of Mabon include acorns, baskets, scarecrows, sickles, scythes and the stag. Traditional foods include apples, squash, and other earthy vegetables, cranberries, pomegranates, seeds and nuts, any wild meat such as venison, mushrooms and stews. This is a true feast, acknowledging the bounty of the Earth and preparing for winter.

Important Information

Halloween, Samhain (pronounced Saw-win). The last harvest festival, storing crops, and preparing for the dead of winter. A time to honor the dead and our ancestors. Endings. Feasting, trick-or-treating, costumes, monsters and ghouls, and images of death are traditional, but NOT anything insulting or blasphemous to Satan and our Demons/Gods. Carving pumpkins, placing out cauldrons, broomsticks, and decorations of ghosts.

(Note: Some believe Samhain to be when Sun is at 15° Scorpio, which is Nov. 7)

Important Information

Yule, Winter Solstice, typically lasts from the 21 through the 23. Feasting, indulgence, taking pleasure in the physical and material aspects of life, decorating the home, Yule tree and wreaths, gifts, cooking, baking, building snowmen, all winter activities, family celebrations, get-togethers, and Santa Claus for the children. Blue lights honor Satan, as this is His color. The Yule tree is symbolic of the soul, with the trunk representing the spine, the lights representing the chakras and nadis, and the star at the top represents the risen Serpent of Satan. Anything Xian or related to the filthy Nazarene are to be avoided! This holiday honors our true Creator God, Satan!
