Important Information

The 8 Sabbats are important Satanic/Pagan holidays. These dates align with the Sun, and are times to indulge, feast, and honor the Gods and Goddesses. Telepathic communications and workings of magick are greatly amplified during these holidays. The eight major Sabbats are the Equinoxes and Solstices of the Sun's year, and the 4 cross-quarter days that come between them. The 13 Full Moons are also power dates, and greatly amplify workings of magick. These dates are all included in this calendar, as well as ideas for workings based on the position of the Moon, other planets, and planetary day of the week. Spiritual Satanism is about celebrating and enjoying life!

BARBATOS			PAIMON			

Important Information

Beltane (pronounced B'yal-t'n), begins on sundown April 30 and lasts until sundown May 1. Beltane is an ancient celebration of fertility. This sabbat is in honor of our God Enlil (Baal). Telepathic communications with spirits and our Gods are heightened. Traditionally, people would dance around the Maypole (representing the phallus), and couples would jump nude through the bonfire together and engage in all-night sex. Dancing, feasting, and making repairs to one's property are also customary.

(Note: some consider Beltane to be when Sun is at 15° Taurus, this will be May 5.)

Important Information

Venus, the planet of love, goes retrograde from May 13 to June 25. This can cause friction between couples, and is not a good period for love spells, money workings, artistic pursuits, and so on.

When Mercury goes retrograde, listed in the pages for February, June, and October (lasts for 3 weeks each time), this will negatively affect travel, communications, and electronics. This is not a good time for spells for exams, education, or knowledge.

Important Information

Lammas Day, Lughnasadh (pronounced LOO-neh-seh), named for the God Lugh, known to us as Azazel. Lammas Day marked the beginning of the harvest season, and the annular wheat harvest, and included celebrations of athletic contests, feasting, trading, and thanking the Gods, especially Lugh/Azazel, for a bountiful harvest. This was also the date to start an early garden (veggies and herbs that grow in early spring). Ways to honor this holiday are making loaves of bread, cakes, pies, and picking berries. Symbols are grains, gold, grapes, berries.

(Note: Some people believe it to be when the Sun is at 15° Leo, which will be this Aug 7.)

Important Information

Yule, Summer Solstice, typically lasts from the 21 through the 23. Feasting, indulgence, taking pleasure in the physical and material aspects of life, decorating the home, Yule tree and wreaths, gifts, cooking, baking, family celebrations, get-togethers, and Santa Claus for the children. Blue lights honor Satan, as this is His color. The Yule tree is symbolic of the soul, with the trunk representing the spine, the lights representing the chakras and nadis, and the star at the top represents the risen Serpent of Satan. Anything Xian or related to the filthy Nazarene are to be avoided! This holiday honors our true Creator God, Satan!
