The 8 Sabbats are important Satanic/Pagan holidays. These dates align with the Sun, and are times to indulge, feast, and honor the Gods and Goddesses. Telepathic communications and workings of magick are greatly amplified during these holidays. The eight major Sabbats are the Equinoxes and Solstices of the Sun's year, and the 4 cross-quarter days that come between them. The 13 Full Moons (Esbats) are also power dates, and greatly amplify workings of magick. These dates are all included in this calendar, as well as ideas for workings based on the position of the Moon, other planets, and planetary day of the week. Spiritual Satanism is about celebrating and enjoying life!

**Beltane** (pronounced B'yal-t'n), begins on sundown April 30 and lasts until sundown May 1. Beltane is an ancient celebration of fertility. This sabbat is in honor of our God Enlil (Baal). Telepathic communications with spirits and our Gods are heightened. Traditionally, people would dance around the Maypole (representing the phallus), and couples would jump nude through the bonfire together and engage in all-night sex. Dancing, feasting, and making repairs to one's property are also customary.

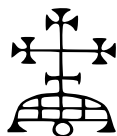

(Note: some consider Beltane to be when Sun is at 15° Taurus, this will be May 5.)

**Fall Equinox**, is the original Pagan festival of Thanksgiving, the second of the three harvest festivals. A good time to begin and put things into action. Mabon is the balance between light and dark, as the day and night are equal length. This is the day of the great hunt, that also honored all Gods and Goddesses of the Hunt. Symbols of Mabon include acorns, baskets, scarecrows, sickles, scythes and the stag. Traditional foods include apples, squash, and other earthy vegetables, cranberries, pomegranates, seeds and nuts, any wild meat such as venison, mushrooms and stews. This is a true feast, acknowledging the bounty of the Earth and preparing for winter.

Halloween, or Samhain (pronounced Saw-win). The last harvest festival, storing crops, and preparing for the dead of winter. A time to honor the dead and our ancestors. Endings. Feasting, trick-or-treating, costumes, monsters and ghouls, and images of death are traditional, but NOT anything insulting or blasphemous to Satan and our Demons/Gods. Carving pumpkins, placing out cauldrons, broomsticks, and decorations of ghosts.													
(Note: Some believe Samhain to be when Sun is at 15° Scorpio, which is Nov. 7)

## Ingresses and Retrogrades

Hitler and Himmler began the tradition of making November the month to remember and honor our ancestors, loved ones and friends who have died. Life is sacred for us SS, and the lives of our ancestors are to be honored. Visiting graves, lighting candles, drinking a toast, and displaying any pictures of our friends and family who have died, are sacred and important rites during this month. Beloved pets can also be remembered.

Blue lights honor Satan, as this is His color. The Yule tree is symbolic of the soul, with the trunk representing the spine, the lights representing the chakras and nadis, and the star at the top represents the risen Serpent of Satan.
